- **Volunteers Wanted** – If you are interested in volunteering some of your time, then your help is needed as a "classroom parent." We would like to have two classroom parents for each class. Please contact your child's teacher if you are interested in serving as the "classroom parent." The time that you will spend with the students and the opportunities to work with other parents in your child's class will be *priceless*.
- **PTA Meeting** – Make sure that you come to our October PTA meeting. There will be a special performance from the kindergarten and first grade students. Additionally, more details will be discussed about our Fundraiser, Fall Carnival, and the playground.

Hispanic Heritage Month is celebrated from September 15 - October 15. Every week there will be a trivia question. If your child answers the question correctly, then he/she will receive a treat from Senora Woodruff.

This week's question is: **What is the name of the Hispanic country that borders the United States of America? Hint: It is south of the border.**
