PLAYGROUND!!!

It is time to build our new playground. The new playground equipment will be delivered to West Manor today and we will build our new playground equipment **tomorrow**. We have several dads, granddads, and uncles that have agreed to volunteer their tools and time. We will begin at 9:00 a.m. Saturday and will work until we finish! If all goes well, our students will have new equipment to enjoy when they arrive at school Monday.

- **Fundraiser Orders** – If you have not picked up your orders from the Great American Fundraiser, you may do so between the hours of 7:30 a.m. – 8:00 a.m. and 2:30 p.m. – 3:00 p.m. next week. Please see Mrs. Harvey in the front office.
- **Volunteers Wanted** – If you are interested in volunteering some of your time, then your help is needed as a “classroom parent.” We would like to have two classroom parents for each class. Please contact your child’s teacher if you are interested in serving as the “classroom parent.” The time that you will spend with the students and the opportunities to work with other parents in your child’s class will be *priceless*.
- **Safety First** – A presentation was made by William Hutchinson about seat belt and car seat safety during the Tuesday PTA meeting. He really emphasized the point taking time to buckle children in the car correctly. On Thursday, October 30, 2008, Mr. Hutchinson will be at West Manor to check the safety of your car seats and assistance will be given to those who are in need of new equipment. We want all students at West Manor to stay safe and it is important to take the time and “buckle up.”
