## Playground Dedication/Ribbon Cutting Ceremony

Tuesday, November 18, 2008, West Manor Elementary officially dedicated the new playground equipment to all the contributors who made the project possible. Parents, teachers, students, and other stakeholders gathered in the auditorium for the dedication program and then everyone walked out to the playground for the Ribbon Cutting Ceremony. The SGA officers, homeroom representatives, kindergarten students (the beginning) and fifth grade students (the end) released green and white balloons in the air after former principal, Cynthia May and current principal, Cheryl Twyman cut the red ribbon. It was an exciting and momentous occasion.
